Hello

I am writing to comment on the radio towers that are located on Panamint, First I need to say the I am in love with the VCH area and the the views, the residents. Its it all. the presents of these radio towers detract from the view and I whole heartily believe the value of the properties in the area. talking with allot of the residents and they are less than pleased of the look of the towers. to put it blunt " they are Ugly" and need to go away. please feel Free to contact me and I Will appear before the councile and state My views. Thank You for Your time.
