

Exhibit U  
Nuisance Complaint of 1/1/2009

*January 1, 2009*

*To the Storey County Commissioners and the Storey County Assistant District Attorney,*

*Several months ago there were some nuisance complaints filed about the towers on the Taomina property.*

*We have a petition with about 100 signatures stating we want the towers taken down because they destroy the natural beauty of the area and are in violation of several county statutes.*

*As of this date, we have not heard of any action being taken on these nuisance complaints.*

*Also, in spite of the ADA's letter to Taormina telling him to NOT do any maintenance on the towers, building inspector Haymore ignored our reports of a man working on the towers.*

*I am formally requesting permission to address the commissioners on this matter at their next meeting.*

*Storey County Code Ch. 17.88 Enforcement Section 17.88.010 is very clear in stating that public nuisances can be dealt with by the District Attorneys office to remove said nuisance. It also mentions preventing anyone from maintaining said structure.*

*Storey County Code 17.88 Enforcement Section 17.88.020 Penalty Says anyone guilty of violating this provision is guilty of a misdemeanor and can be jailed and fined.*

*Storey County Code Chapter 15.08 Building Official Duties generally states that if the stop work order is not honored, and it hasn't been, that the building official has all law enforcement authority to enforce said order.*

*NRS 244.360 Abatement of nuisances: Complaint: notice; hearing; order; enforcement of order; costs; alternative procedures states that this has to be dealt with in 30 to 40 days.*

*I will provide copies of all of these statutes and codes for all the commissioners and the ADA as they go on and get very specific about dealing with a nuisance complaint.*

*I don't mean to be a pain in the butt, but this has gone on way too long and we want the towers taken down legally.*

*Thank you,*

*Buddy R. Morton*
