Commissioner for Patents

Appellant's reply brief submitted 10/21/11 has been received and entered on file.
Appellant's remarks and arguments have been reviewed, but they are not convincing since appellants appears to require that that the prior art must recite the exact same terminologies in the claims.

It is believed that the prior art still reads on the claims.

The case has been forwarded to the Board of Patent Appeals.

/Ronnie Mancho/
Primary Examiner of Art Unit 3663
