

## Olinghouse Road Today

Jed Margolin 4/23/2022

This is what it looks like today. I made it from the Washoe County GIS starting at <https://gis.washoecounty.us/wrms/?apn=079-150-12>

I had to look up the owners and add them myself using TurboCad. Note that Washoe County's GIS Web site does not work with Firefox or Chrome in Vista-64. It requires Firefox or Chrome in at least Windows 7.

Note: PPC is Paiute Pipeline Co which has changed its name to Great Basin Gas Transmission Company and is owned by Southwest Gas. <https://greatbasingtc.com/>
